

TEAM LONDON

London Tech Week Briefing

Wider London messaging and a calendar of Team London events can be found on the [London & Partners](#) website.

1. London Tech Week showcases one of the world's leading technology ecosystems

- London is home to Europe's largest tech ecosystem, valued at more than \$720bn.
- More than 11,000 venture-backed startups and 150+ unicorns call London home.
- London Tech Week brings together founders, investors, policymakers and global businesses from across the world to explore the technologies shaping tomorrow.
- World-class universities, research institutions and an international talent pool continue to fuel innovation across every stage of growth.

2. London is where global businesses come to scale

- London Tech Week reflects the city's position as Europe's leading destination for technology investment
- In the first half of 2026 alone, London's tech companies raised more than \$10bn in venture capital.
- International businesses choose London to access customers, investors, partners and one of the world's deepest pools of growth capital.
- The city provides a gateway to European and global markets from a single location.

3. AI is helping shape the future of London's economy

- AI continues to be a major focus throughout London Tech Week, reflecting London's position as one of the world's leading AI hubs.
- The capital combines research excellence, entrepreneurial talent and commercial adoption across sectors including fintech, life sciences and the creative industries.
- International businesses choose London to establish R&D, build partnerships and expand internationally.
- London's collaborative ecosystem helps businesses innovate and scale.

4. London Tech Week reflects the strength of Team London's ecosystem

- London Tech Week is one example of how Team London brings together businesses, investors, academia and government to showcase London's innovation ecosystem.
- London combines global connectivity, investment, talent and customers in one place.
- London & Partners and Team London help businesses connect with the networks and opportunities they need to grow.
- Whether investing, expanding or launching, London provides the foundations for long-term success.
